**Junior Retail Design & Delivery Manager – Maternity Cover**

The candidate will have 1-2 year's experience, to support the rest of the team in this department. This exciting role will include being at the forefront of latest retail trends and store design whilst playing a key part in how it will look. The role involves reviewing and approving retailers fit-out proposals for shopping centres, to ensure the highest quality of design is achieved whilst maintaining programmes to ensure fit outs are delivered on time.
